

Life-related Art Town  
Enjoy Arts! (application required)  
Workshop & Symposium

Open workshops by artists and children will take place. Why don't you come and see how children enjoy their artistic expression through/with music, body, art or others. In the open symposium, children's artistic expression will be taken up as a theme of talking by those panelists of artists, university lecturers, representatives from administration and a town community who will show their ideas from their respective viewpoint.
