- I wish to enroll all the children in the same facility, even if the facility is further down on my list
- I do not wish to enroll unless all the children can be in the same facility

9) Parental leave situation (possibility of extension of parental leave period)

Please check one if you are applying for the use of childcare after parental leave	<input type="checkbox"/> I plan to return to work as soon as my leave is over
	<input type="checkbox"/> Extension of parental leave is possible if my child cannot be admitted to the childcare facility of our choice →(Would like to change my preference to "returning to work immediately" from the [month / year] selection onward · Schedule of return to work undetermined) ※Please note that the household index points are deducted and will be given lower priority in the placement selection process. The application will still be reviewed. ※This does not guarantee of non-admission to a facility. If the facility is available, the child will be admitted.

※If you leave this section blank, it will be assumed that your intent is to "return to work immediately".

※If you wish to change the possibility of extending the parental leave period after applying, please change the status through the Matsudo City online application system.

※If your parental leave is to be extended beyond the fiscal year, you must submit an application for the new fiscal year. (The fiscal year begins each April)
