

Do's and Don'ts to Avoid Trouble

Here are some common situations
people new to living in Japan often encounter

Garbage Disposal

Please learn and follow the rules for
sorting and disposing of trash.

Keep Quiet at Night

Please refrain from speaking loudly or
making loud noises in quiet areas.

Smoking Manners

Do not smoke while walking, or
litter cigarettes on the street.
Violations can result in fines.

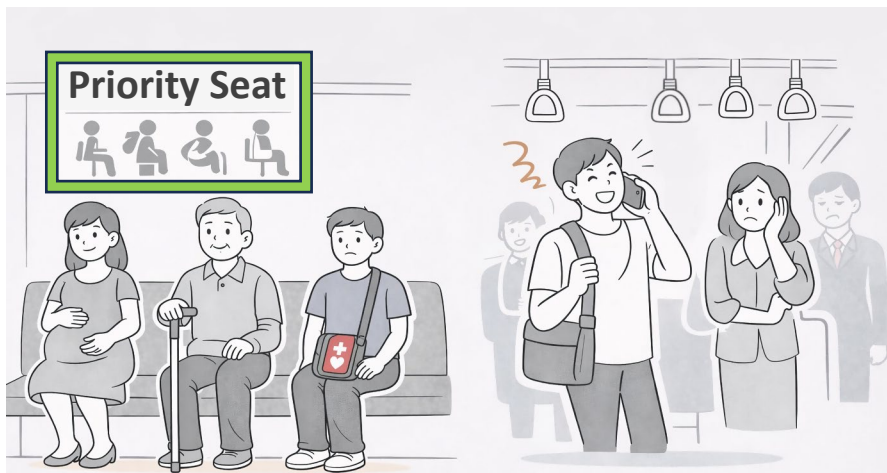

Bicycle Rules

Please follow bicycle rules.
Violations can result in fines.

When Riding Trains and Buses

Be considerate of others and keep quiet while on board.

Avoid speaking loudly or making phone calls ✕

When Using an Escalator

Do not rush.
Wait your turn to step on.

Connect with Community

By greeting your neighbors and establishing communication with them, they might help you out when needed.

Bicycle Parking

Please park your bicycles in designated areas. Bicycles parked illegally may be removed.

We offer a guidebook that provides useful information for living in Matsudo City in seven languages
