

Physical Checkups at Matsudo City General Hospital

We conduct

“Pre-employment Health Checkup”

required upon starting employment!!

Please feel free to contact us regarding other checkups, such as “Regular Health Checkups,” “Health Checkups for Second Generation Atomic Bomb Survivors,” and “Health Checkups for Admission to Senior Care Facilities.”

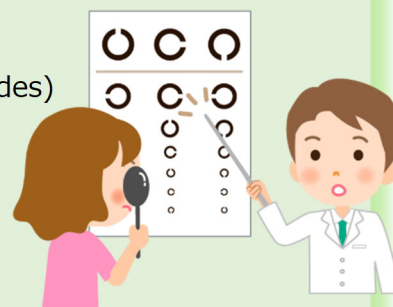

※These services are not covered by the city’s general health checkup ticket.

[Items subject to health checkups for employment]

(Based on the Ordinance on Industrial Safety and Health)

1. Review of medical and employment history
