## 【3】 Childcare fees

### ● Childcare fees (Please refer to the 'Table of Childcare Fees')

- Childcare fees are determined by the amount of municipal residents tax paid by the parents/guardians who live in the same household as the child, determined as follows -  
Admission Apr. - Aug. 2019 = based upon tax paid in 2018-19 fiscal year  
Admission Sept. 2019 - Mar. 2020 = based upon tax paid in 2019-20 fiscal year

※If the documentation required to calculate the applicable childcare fees is unable to be obtained (due to moving into the city or an unaccompanied job transfer, etc.), the childcare fee rate will be tentatively set at the highest fee bracket.

- When calculating the amount of income tax paid (when approving the childcare fee amount to be borne by the applicant), tax deductions (excl. adjusted deductions) will not be applied.
- Additional fees will be charged for extended childcare hours.
- The payment of childcare fees must be made by the end of each month. In the case that the end of the month lands on a weekend or public holiday, payment must be made by the next business day applicable to financial institutions. **Be sure to pay on time.**
- In the case of Centers for early-childhood education and of small-scale childcare services, payment is to be made directly to the facility. Please consult with the individual facility regarding payment methods.
- If payment is not received on time, reminder/demand notices will be issued and your property may be assessed and seized to settle the outstanding debt.

※The 'Table of Childcare Fees' is subject to any revisions made to base payment rates as dictated by the Ministry of Health, Labor & Welfare.

### ● Bank transfer of childcare fees

- Matsudo City requests that all users of authorized nursery school facilities make childcare fee payments via automatic bank transfer.
- After receiving a placement at an authorized nursery school, you will be provided a bank transfer request form during the interview/consultation process with your assigned facility. Please fill in the required details and complete the necessary procedures at your financial institution.
- After these procedures are completed, 1 to 2 months will be required to formalize the registration of your bank details. You will be sent a notification in the mail upon the completion of this process.
