## Garbage Collection Holidays

- Sundays
- May 3 to 5
- December 31 to January 3

There may be delay in collection or a collection may be canceled due to weather.

## Check the Garbage Collection Schedule of Your Community!

Each collection point is assigned to one of the 12 different garbage collection schedules for household garbage.

- Please review the "District allocation table" on a separate sheet.
- Your home and collection point may be located in different neighborhoods.
- Write the schedule in the table below or cut the "District allocation table" and paste it here.
- If you cannot figure out the collection date for your area, contact the Matsudo City Household Garbage Consultation Call Center.

- Do not put metal products in the same bag with these items.
- Larger items are accepted if they can be dismantled/cut to less than 30 cm on the longest side.

## Tips for Proper Garbage Disposal

- Disposing of mobile power banks or other products with small internal rechargeable batteries are disposed of with other garbage can cause fires at the processing plant. Always dispose of small rechargeable batteries and products with internal batteries as hazardous garbage.
- Rather than disposing of cardboard boxes one at a time, dispose of them as a stack when you accumulate a large amount. Flatten the boxes, bundle them and tie with string in a cross pattern before disposing of them.

- Sort your garbage properly, be sure to follow the rules on the proper location and day of the week for collection, and dispose of items at a collection site by 8:30 a.m. on the designated collection day.
- The maximum acceptable size for items other than wooden boards, beams and pruned branches refers to the longest dimension.
- Use bags that Matsudo City has authorized for burnable garbage. Do not use hazardous garbage bags, black bags, or garbage bags from other municipalities.
- If the use of transparent or semitransparent plastic bags is specified, do not use bags that Matsudo City has authorized for burnable garbage, designated hazardous garbage bags, black garbage bags, or designated garbage bags from other municipalities.
- Dispose of dirty or processed paper as burnable garbage.
- Bundle miscellaneous paper and tie it with string in a cross pattern, or put them in a paper bag, write "ざつがみ" (miscellaneous paper) on the bag, and tie the paper bag vertically so the contents are visible.
- Cut wet or dirty clothes into pieces smaller than 50 cm and dispose of them as burnable garbage.
- For recyclable items that need to be washed clean before disposal (glass bottles, cans, plastic products), if you cannot remove stains or the item has other issues that may hinder recycling, dispose of glass bottles and cans as non-burnable garbage, and plastic products as non-recyclable plastic garbage.
- Only glass bottles and cans for food and drink are recyclable. Dispose of spraying cans and other non-food/beverage cans as non-burnable garbage.
- Household appliances that use CFCs are not collected.

## 7 How to dispose of bulk garbage (individual collection)

- Items with side length about 50cm or more \* There are some exceptions; see the section on non-burnable garbage to the left.
- Collection may take a few days depending on the congestion.

## 8 How to dispose of PET plastic bottles

Please dispose of them in one of the two ways below

Bring items to a collection cooperative store

See "List of PET bottle collection cooperating stores" on the back side.

Put out for neighborhood pickup (recycling activities)

Scan the two-dimensional code below to check the latest implementation status of the activities. If you live in an apartment, please contact the management company or the like to confirm the proper disposal methods.

- Peel off
- Rinse
- Crush

\* Dispose of removed caps and labels as recyclable plastic items.

## Utilize the neighborhood pickup (recycling activities)

Neighborhood pickup is a recycling activity organized by local organizations such as neighborhood associations and residents' associations independently. They implement collection of recyclable resources (paper, glass bottles, cans, and PET bottles), separately from the city. For more information on what items are collected, collection days, procedures and the like, please contact the implementing organization directly.

\* Also included under "さんあ〜る (3R)" app.

## Collection Box (site collection)

### Collection box for used clothing and other items

To promote the reuse of clothing and other items, the city is collecting them in cooperation with ECOMMIT, Co., Ltd.

- Items that are collected: Clothes, fashion accessories, hobby supplies
- Items that cannot be collected: Underwear, undershirts, swimwear, Japanese-style clothing, stained/ripped items, broken items

### Small household appliances collection box

Small household appliances that fit into the opening of the collection box (30cm wide x 15cm high) are collected.

- Notebook computers, tablets, mobile phones, cameras, portable game devices, electronic dictionaries, portable music players
- \* Items other than those above can be placed in the collection box as long as they fit into the opening of the collection box.
- \* Personal information is your own liability; please be sure to delete all data before disposal.
- \* Remove any batteries. (Do not place removed batteries into the collection box)

## Garbage Collected with Recycling System, Etc.

### Used cooking oil collection project

Matsudo City is conducting the project to collect used cooking oil from households and recycle it into bio-diesel fuel, etc.

- Collectable oil: Tempura oil, salad oil, and other edible oils used in households; includes edible oils past their expiration date. Note: Only liquid vegetable oils are collected (solidified oils are not accepted).
- How to discard used oil: Please strain the used oil briefly with a strainer, place it in a PET bottle (500ml to 2,000ml in size), close the cap tightly, and take it to the collection site. Note: Unopened oil in a bottle can be disposed of in its original state.

### How to dispose of PCs

\*Laptop computers can be placed in the small appliances collection box

- Collection free of charge using a courier service**

ReNet Japan Recycle, a partner/cooperator of Matsudo City, collects by courier service. If a PC main unit is included in the collection items, **collection fee for 1 box will be free of charge**. Accessories such as printers can be collected together (maximum size and weight of a box that can be free of charge has a total length of 3 sides less than 140cm and weighs 20kg or less). There is also a service to delete personal information data. Scan the 2D code for more information. <https://www.renet.jp/> ☎0570-085-800
- Courier service collection process**
  - First, request in advance.
  - Pack it in a cardboard box.
  - Sagawa Express will collect from home.
- Collection by the PC manufacturer**

PCs (including the PC monitor) no longer used in the home are collected by the manufacturer and recycled as a resource by the manufacturer based on the "Law for Promotion of Effective Utilization of Resources (Act for promoting effective use of resources)". For more information on each manufacturer's contact information, collection methods, and collection/recycling fees, please check the website by scanning the 2D code or inquire by phone. <https://www.pc3r.jp/> ☎03-5282-7685

### Collection of smartphones and chargers

① Small household appliances collection box  
② ReNet Japan Recycle  
\* Only the charger will not be accepted.  
③ Any store or other place that handles smartphones (including mobile phones and PHSs)  
Items are collected free of charge (regardless of the manufacturer) then recycled.

### Collection of button-cell batteries and small rechargeable batteries

The city does not collect button-cell batteries (letter codes: LR, SR, PR). Bring these to a collection can at a cooperating store. Bring small rechargeable batteries with the recycling mark to a collection box at a cooperating store (electronic stores, home improvement stores, etc.) or dispose of them as hazardous garbage.

## How to dispose of items listed in the Household Appliance Recycling Act

### Applicable items:

- Washing machines ○ TVs (CRT, LCD, plasma, OLED) ○ Air conditioners, exterior units ○ Clothes dryers (electrical, gas)
- Refrigerators (including wine cellars, cooling boxes, hot/cold refrigerator) ○ Freezer

## Garbage the City Does Not Handle

### How to dispose of home medical waste

Waste generated during home medical care includes sharp objects such as injection needles, so these items **cannot be disposed of at the collection site**. To protect city residents and the collection staff from accidents, please consult your family doctor or your local pharmacy about the disposal of these items. [Items that can be collected at shops, etc.]

- Insulin injection devices with needles, blood transfusion lines, and other tubing with needles, etc.
- Medical items purchased at a pharmacy or drugstore that have expired and are no longer needed
- Prescription medicine you have received at a pharmacy after being examined at a medical institution that you no longer need. (This includes medicine that is taken internally or applied externally.)

\* As for peritoneal dialysis nutrient bags and tubes without needles (less than 30 cm), as well as syringes without needles, dispose of home medical waste as "Non-recyclable plastic garbage"

### Items difficult to process

**Examples**

- Automotive parts (tires, batteries, etc.)
- Paint
- Pianos
- Tatami mats
- Agricultural chemicals and drugs
- Heat-resistant safes
- Fire extinguishers
- Propane gas cylinders
- Plaster boards
- Soil
- Compost
- Construction and demolition wastes, etc.
- Products containing CFCs, etc.

Either contact the retail outlet or dealer, or ask a specialized company to collect these.

## Garbage the City Does Not Collect

- One-time large amounts of garbage (moving, major housecleaning, pruning of trees, etc.)
- Garbage from offices, shops, town associations, etc.
- Garbage generated at events (local festivals, various classes, etc.)

You can either bring items to the municipal garbage processing facility yourself, following the rules for sorting and bringing items, or ask a general waste collection company to collect them. Take the papers, clothes, bottles, and cans to a commercial garbage processing facility. (Refer to following "Garbage Processing Facilities") [Introduction of general waste collection companies, etc.]  
Matsudo City General Waste Collection Services Cooperative Union Office (Address: 2060 Matsudo) ☎0120-535-309 (please note that mobile phone users cannot call this toll-free number.) or ☎047-312-2275

# District allocation table

## District B

This is based on the address of the collection site. Be careful.

Check the garbage collection day of your community! Collection of the recyclable items will alternate, so check if your collection is District A or B. Affix onto the "How to Separate Household Garbage" table.

### On your smartphone

- Receive push notifications for garbage collection days
- Look up garbage types and disposal methods by item name, etc.

#### さんあ〜る (3R)

Search for "さんあ〜る (3R)" or scan the 2D code below

Install the app and register your area

Chiba Prefecture → Matsudo City → Select your area

#### Matsudo City Official LINE

Register the Matsudo City LINE account as a friend on LINE by either of the following methods

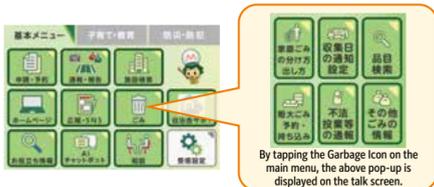

1. Adding friend by 2D code
2. Searching LINE ID

Account Name: Matsudo City (@matsudo.city)

Please see the website for details

After registering as a friend, please enter your basic information to access the following menu for garbage-related settings.

By tapping the Garbage Icon on the main menu, the above pop-up is displayed on the talk screen.

#### [Garbage collection notification setup]

#### [Search by item]

Enter the necessary information of your collection area, and you will be notified on LINE of the collection day of the registered garbage type on the selected day (the day before or the day of the collection)

On the talk screen in LINE, select the keyboard icon in the bottom left corner to enable typing. Enter and send the name of the items you want to dispose of, and you will receive an automated response on the instruction of how to dispose of them.
