

Individual Number (nicknamed “My Number”) Will Be Notified to Each Resident beginning in October 2015

What is “Individual Number” (or “My Number”) ?

It's a single 12-digit Number that is issued to each and every person who resides in this country (including foreign residents) beginning in October. In case of corporations, a single 13-digit Number will be issued to each of them.

Your “Individual Number” will be used only for limited scope of tasks

Your “Individual Number” will be used only for legally stipulated administrative procedures that are related to social security, taxation, and disaster response beginning in January 2016. Please fill in your “Individual Number” and present your Notification Card or Individual Number Card when you apply for those procedures as mentioned below.

• Social security procedures---

- Labor:
- qualification or confirmation, receipt of benefits and others under unemployment insurance system
 - procedures required at the Public Employment Security Office (or “Hello Work”) and others

Medical services:

- application for payment of medical expenses and others under medical insurance

Welfare:

- receipt of welfare benefits
- public assistance and others

• Taxation procedures ---

- filing of income tax returns and submitting written evidences to Tax Office
- written reports, salary payment statements and others to municipalities

• Disaster response procedures ---

- receipt of support money for victims for their life-rebuilding
- procedures for making a basic register of victims and others

The city will send you a Notification Card showing your “Individual Number”
(My Number) on or after October 5

What and when you should do? Procedure schedule is as below!

<October 2015~ >

Upon your receipt of a notification card, please check your “Individual Number” .
The notification card will be sent out to each household by simple registered mail with no-forward-required on or after October 5.

The notification card will be sent to the address appearing in your resident record, so if you live in a place other than your resident record, you should complete a necessary procedure on the resident record by October 2 (Fri).

If you want to have a “Individual Number Card” issued, you can apply for it.

*That is your option.

An application form as well as a return envelope for this will be sent together with the said notification card, so please send back by mail the application attached with a photo of your face. No application for “Individual Number Card” is accepted at the counter of City Hall and branch offices.

<January 2016~>

You can get the “Individual Number Card” at the City Hall.

Those who applied for the “Individual Number Card” will receive by mail a notification of issuance in or after January, upon your receipt of which you can get the “Individual Number Card” at the City Hall.
