Forest and Park for the 21st Century

Outdoor Sculpture “SiTE/2015” Is Now Under Way

The outdoor sculpture project “SiTE/2015” is open at Forest Park for the 21st Century until January 23 (Sat) 2016. Four artists including one group artist have participated in this project. You can enjoy their various unique works such as sound art, metal sculpture, and other works that are created by using their own specific style like dancing, patterns and others. We encourage you to come and feel nice harmony between those unique works and charm of this park that is full of light, sound and greenery.

Artists participated	(titles omitted) Kenichi Shikata, Sendagi Dance, Asao Tokoro, Nao Nishihara
